

RIDGWAY TOWNSHIP, ELK COUNTY

Application for Building Permit  
within Flood-Prone Areas

A. Name and address of applicant \_\_\_\_\_

Phone No. \_\_\_\_\_

B. Name and address of owner \_\_\_\_\_

Phone No. \_\_\_\_\_

C. Name and address of Contractor \_\_\_\_\_

Phone No. \_\_\_\_\_

D. Site Location: \_\_\_\_\_

E. Proposed lowest floor and basement elevations in relation to N.G.V.D..

F. Brief description of proposed work and estimated cost: \_\_\_\_\_

G. A plan of the site showing the exact size and location of the proposed construction as well as any existing buildings or structures.

H. Building application shall also provide the following specific information;

1. A plan which accurately delineates the area which is subject to flooding, the location of the proposed construction, the location of any other flood prone development or structure, and the location of any existing or proposed stream improvements or protective works. Included shall be all plans for proposed subdivision and land development in order to assure that:

a. all such proposals are consistent with the need to minimize flood damage;

b. all utilities and facilities, such as sewer, gas, electrical and water systems are located elevated and constructed to minimize or eliminate flood damage; and

c. adequate drainage is provided so as to reduce exposure to flood hazards.

2. Such plans shall also include existing and proposed contours: information concerning One Hundred(100) Year Flood Elevations, velocities, and other information such as pressures, impact and uplift forces, associated with the one hundred(100) year flood; size of structures, location of structures, location and elevations of streets; water supply and sanitary sewage facilities.
